Hi Chris,

The equipment list is attached again here, it is on the Site Drive (the file is dated updated 6/26/20).

I was thinking of you and Shiloh today! I saw one of our tiny military batteries on the ground on Base today and thought I was back in Nathalie! ☺

I hope all is well.

Sincerely,

Hi [redacted]

I'm pretty sure that you responded to this question re: EPA equipment. I can't find it. Can you please see if it is still in your file? I am not asking you to perform any work outside of the contract

Thank you  
Chris

Thanks.

Actually, I will need the equipment list (#5) before any of the other items we discussed so I can add it to the new assignment

Thank you!  
Chris

Nonresponsive based on revised scope

Don't forget to send in your Brookneal Key. Not that I think you are going to break into the CP, just need to account for it, that's all

Thanks  
Chris
